had raised a question on this subject. Severy pointed out that section 9 only authorized collection from a dependent or employee of those expenses to be paid by the dependent. This information was passed on to [redacted] [redacted] the Office of Personnel.

5. Talked with Charlie Johnson, House Post Office and Civil Service Committee staff, on H. R. 522, to amend the laws relating to dual compensation. Johnson said that no action was indicated on measures of this type in the near future. An invitation was extended for Johnson and Fred Belen, Chief Counsel on the Committee, to have lunch at the Agency. Johnson indicated his desire to accept and suggested that we send a note to Fred Belen to this effect. This is being done.

7. After checking with [redacted] concurrence was given in the State Department's draft reply to the letter they had received from Congressman Joseph W. Barr (D., Ind.) requesting information [redacted] [redacted]
